

REMARKS

This responds to the Office Action dated June 30, 2006 and the references cited therewith.

Claims 1,2 and 3 are amended herein. It is believed that the Claim Objections and Rejections under 35 USC 112 will be addressed by the amendments.

As regards the Claim Rejections under 35 USC 102, the apparent prior art conflicts with Damato (US Patent 5,886,770), Abraham, et al (US Patent 5,774,202) and Holladay et al (US Patent 4,784,483) are also clarified and removed by the claim amendments.

CONCLUSION

Applicant respectfully submits that the claims are in condition for allowance, and notification to that effect is earnestly requested. The Examiner is invited to telephone the Applicant at (305) 264-4465 to facilitate prosecution of this application.

If necessary, please notify the applicant of any additional fees.

Respectfully submitted,

William F. Moore (second named applicant)
